space

# Caratteristiche

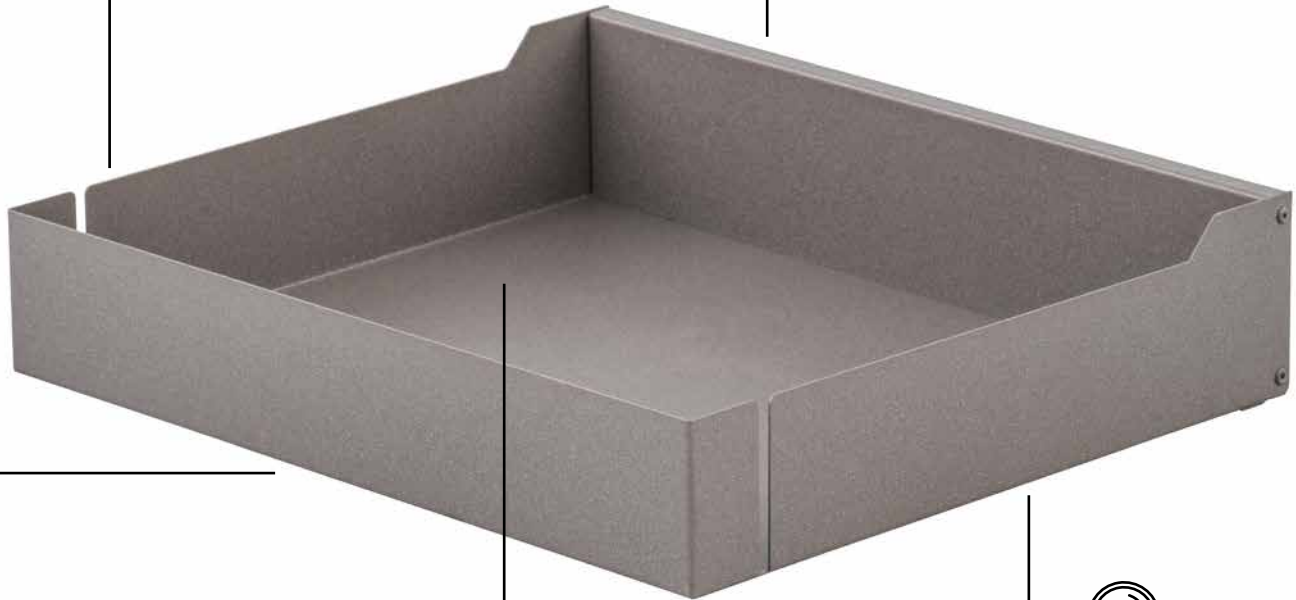

## Features

**Robustezza e alta capacità di carico.**  
Toughness and high load capacity.

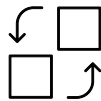

**Le linee leggere ed eleganti esaltano l'innovativo design minimale.**  
The innovative minimalist design is highlighted by light and delicate lines.

**Il monoblocco in lamiera rinforzata viene piegato da macchinari ad alta precisione.**

The reinforced metal sheet is bent by high precision machinery.

**Perfettamente intercambiabile con le linee Urban, Galaxy e Wire. Stesse guide, stesse forature e stesse strutture.**  
Perfectly replaceable with the Urban, Galaxy and Wire ranges. Same slides, same holes and same structures.

**Estrema cura nella finitura di ogni dettaglio e rigidi controlli della qualità.**  
Extreme attention to the finishing of each detail and strict quality controls.

# Forza e leggerezza Strenght & lightness
